

ESIC DENTAL COLLEGE AND HOSPITAL, ROHINI, DELHI.

AUDIT COMPLIANCE REPORT

The following observations and recommendations were made in Academic Audit report 2022-23 and the appropriate compliance is mentioned against those observations as follows:

1. FDP/conferences should be organized

Continuing dental education programs have been organized regularly at our institute and we continue to do so in future academic sessions. Kindly refer Annexure- A for details of programs organized in last academic session

2. Faculty should be encouraged to start college publication

All the faculty members are encouraged to do scientific publications. All efforts will be made to start college publication in coming academic sessions.

3. Faculty should be encouraged to pursue PhD

The highest degree recommended by our statutory body i.e. DCI is MDS. Nevertheless all the faculty members are encouraged to pursue PhD whoever is interested.

4. Data for audit should clearly identify various issues of point 9, 11 & 13.

Point 9- Annexure B

Point 11 & 13- Kindly see pictures attached against point 11 & 13 as Annexure C

5. Placement should be activated to keep proper record

Students of our institute have been given placed as Junior Residents at various ESIC Dental colleges/ ESI Hospitals or ESI dispensaries all over India. Kindly find attached Annexure –D for details.
