Patron's Message

Dear Colleagues and esteemed guests,

I am delighted to extend a welcome to all of you at CME ESIC Diapedicon 2024 set to take place on August 14, 2024.

This gathering brings together professionals who share a passion, for advancing diabetic foot care.

Our aim is to create an atmosphere to learning, collaboration and innovation where we can exchange insights and strategies aimed at enhancing patient outcomes.

I am confident that the conversations on this day will spark ideas and reinforce our dedication to excellence, in managing foot conditions.

Thank you

Dr Chavan Kalidas Dattarya

Dean

ESIC Medical College & Hospital,
KK Nagar, Chennai

ESIC diapedicon CME 2024

Welcome Message

Interact, Innovate, Implement and Improve

Let us embark an enlightening & insightful days of knowledge, sharing, networking and our unwavering commitment in preventing amputation.

Together we can transform the lives of people with Diabetic Foot.

Let's take a step towards healthy feet.

We welcome you to enjoy the Educational Feast!

Dr. Bhanumati Giridsharan
Organising Chairman

ESIC diapedicon CME 2024

Welcome Message

Attention is directed towards early diagnosis of the diabetic foot problems to save the limb.

A comprehensive program to diagnose, treat and prevent limb loss is set to be delivered by eminent personalities in the field on 14th August, 2024.

We are glad to welcome you to enjoy the surgical treat - To interact, learn and empower yours patients. Come and be the team leader of the 'Padam Kappom' program of our country.

Dr. Angeline Selvaraj
Organising Secretary

Padham Kappom
(பாதம் காப்போம்)

Unlock Diabetic Foot Care Excellence
Transform Your Expertise

Embark on a transformative journey
into diabetic foot care at
CME ESIC Diapedicon 2024.

Dive deep into advanced surgical
procedures, innovative limb salvage
strategies, and interdisciplinary
infection control measures.

Our focussed sessions are crafted to
enhance your professional skills and
improve patient care outcomes
dramatically.

The logo for ESIC Diapedicon CME 2024 is positioned in the top right corner. It features the text 'ESIC' in a large, bold, dark red font, with 'diapedicon' in a smaller, dark red font below it. To the right of the text is a circular emblem containing a caduceus and other medical symbols. Below the main text, 'CME' is written in a smaller font, and '2024' is written in a large, bold, dark red font. The background of the entire slide is a collage of medical-related images, including a surgical team in an operating room, a student studying, and various medical equipment and anatomical diagrams.

LECTURE 10

02.00 PM - 02:30 PM

"Innovations in wound healing and dressing techniques"

DR. ANGELINE SELVARAJ

Professor of Plastic Surgery,
ESIC Medical College and Hospital, KK Nagar, Chennai-78

Latest advancements in wound healing
technologies and dressing methods for
diabetic foot ulcers

LECTURE II

02.30 PM - 03:00 PM

"Vascular Surgery Breakthroughs in Diabetic Foot Care"

DR. MANIKANDA PRABHU

Consultant Vascular Surgeon,
ESIC Medical College and Hospital, KK Nagar, Chennai-78

Cutting-edge vascular surgery techniques and
their impact on diabetic foot outcomes

ESIC diapedicon CME | 2024

LECTURE 12

03.00 PM - 03:30 PM

"Risk Radar: Algorithms for Predicting Diabetic Foot Ulcerations and Amputations"

DR. MEDHUN KUMAR M

Consultant Plastic Surgeon,
ESIC Medical College and Hospital, KK Nagar, Chennai-78

Dive into the cutting-edge algorithms and predictive models used to assess risks for diabetic foot ulcerations and amputations

LECTURE 13

03.30 PM - 04:00 PM

"Reconstructive Mastery: Plastic Surgery in Diabetic Foot"

DR. M.S. VISWANATHAN

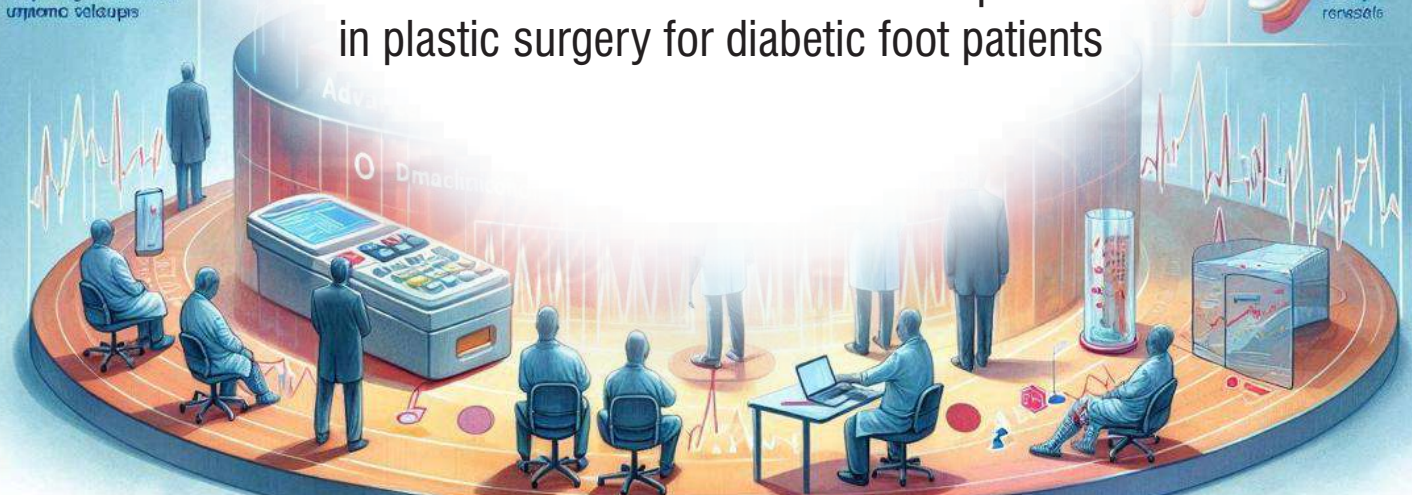

HOD, Department of Plastic Surgery
ESIC-MC, Rajajinagar, Bangalore

Advanced reconstructive techniques
in plastic surgery for diabetic foot patients
